

(\$312.00), and the fee for dependent claims (\$264.00) or any other fee required for the filing of the enclosed document, even if different than that calculated, or credit any overpayment to Deposit Account No. 09-0089. Applicants have enclosed duplicate copies of a Transmittal Letter that authorizes such charges.

The new claims parallel those verbally indicated as allowable (claims 12, 17, 22, 27 and 49) by Examiner Spector and thus do not require a further search of the art, and should comply with all claim requirements as do claims 12, 17, 22, 27 and 49. Applicants authorize the Examiner to amend claims 12 and 49 pursuant to an Examiner's amendment as discussed between the Examiner and applicants attorney.

Applicants respectfully request such claims be entered and placed in the same condition for allowance as claims 12, 17, 22, 27 and 49. Applicants request that any questions be addressed by telephone to the undersigned attorney for applicants at (206) 389-4337.

Respectfully submitted,
